Control Panel Overview

The control panel will vary depending on your model.

1. LCD (Liquid Crystal Display)

Displays messages to help you set up and use your machine.

Wireless Models:

A four-level indicator shows the wireless signal strength if you are using a wireless connection.

2. Power On/Off Button

- Turn on the machine by pressing .
- Turn off the machine by pressing and holding . The LCD displays [Shutting Down] for a few seconds before going off.

3. Network Buttons

- Wired Models:

Network

Press **Network** to set up wired network settings.

- Models with Wireless Function:

WiFi

Press the **WiFi** button and launch the wireless installer on your computer. Follow the on-screen instructions to set up a wireless connection between your machine and your network.

When the **WiFi** light is on, your Brother machine is connected to a wireless access point. When the **WiFi** light blinks, the wireless connection is down, or your machine is in the process of connecting to a wireless access point.

4. Menu Buttons

OK

Press to store your machine settings. After you change a setting, the machine returns to the previous menu level.

Back

- Press to go back one level in the menu.
- Press to select the previous digit when setting numbers.

▲ or ▼ (+ or -)

- Press to scroll through menus and options.
- Press to enter a number or to increase or decrease the number. Press and hold down ▲ or ▼ to scroll faster. When you see the number you want, press **OK**.

5. Go Button

- Press to clear certain error messages. To clear all other errors, follow the control panel instructions.
- Press to print any data remaining in the machine's memory.
- Press to select the displayed option. After you change a setting, the machine returns to Ready Mode.
- Press and hold **Go** for about two seconds to cancel a print job.

Load Paper in the Paper Tray

Use the paper tray when printing on the following media:

Plain paper

Thin paper

Recycled paper

Thick paper

- Adjust the guides
- Fan the paper
- Do not exceed this mark

For more information, see the *Online User's Guide: Load Paper in the Paper Tray*.

Load Paper in the Manual Feed Slot

Use the Manual Feed Slot when printing on the following media:

Plain paper

Thin paper

Recycled paper

Bond paper

Thick paper

Labels ¹

Envelopes ¹

- Adjust the guides
- Use both hands to insert one sheet of paper
- Continue pressing the paper against the rollers for about two seconds, or until the machine grabs the paper and pulls it in further

¹ Open the back cover (face up output tray) before printing to let the printed paper exit onto the face up output tray.

For more information, see the *Online User's Guide: Load and Print Paper in the Manual Feed Slot*.

Use this section to resolve problems you may encounter when using your Brother machine.

Identify the Problem

Even if there seems to be a problem with your machine, you can correct most problems yourself.

First, check the following:

- The machine's power cord is connected correctly and the machine's power is on.
- All of the machine's orange protective parts have been removed.
- (For network models) The access point (for wireless network), router, or hub is turned on and its link indicator is blinking.
- Paper is inserted correctly in the paper tray.
- The interface cables are securely connected to the machine and the computer.
- Check the machine's status on your machine or in **Brother Status Monitor** on your computer.

Find the Error	Find the Solution
Using the Status Monitor • Double-click the  icon in the task tray.  • (Windows®) If you select the Load Status Monitor on Startup check box, the Status Monitor will launch automatically each time you start your computer.	• A green icon indicates the normal stand-by condition.  • A yellow icon indicates a warning.  • A red icon indicates an error has occurred.  • A gray icon indicates the machine is offline.  • Click the Troubleshooting button to access Brother's troubleshooting website.

Find the Error	Find the Solution
Using the LCD Cover is Open	1. Follow the messages on the LCD. 2. If you cannot resolve the error, see the <i>Online User's Guide: Error and Maintenance Messages</i> or go to your model's FAQs & Troubleshooting page on the Brother Solutions Center at support.brother.com.

Error and Maintenance Messages

For information on the most common error and maintenance messages, see the *Online User's Guide*.

To view the *Online User's Guide* and other available guides, visit support.brother.com/manuals.

Paper Jams

An error message indicates where the paper is stuck in your machine.

Error messages:

1. Jam Rear
2. Jam 2-sided
3. Jam Tray
4. Jam Inside

See the messages in **Brother Status Monitor** on your computer.

Solutions for Wireless Connection

If you cannot connect your Brother machine to the wireless network, see the following:

- *Online User's Guide: Print the WLAN Report*
- *Quick Setup Guide: Alternative wireless setup*

To view the *Online User's Guide* and other available guides, visit support.brother.com/manuals.

Supplies

When the time comes to replace supplies, such as the toner or drum, an error message will appear on your machine's control panel or in the Status Monitor. For more information about the supplies for your machine, visit www.brother.com/original/index.html or contact your local Brother dealer.

- The supply order number will vary depending on your country and region.
