1. Download "Phomemo" APP in your APP's store or from the below links:

iOS: https://apps.apple.com/us/app/phomemo/id1456102145

Android: <u>https://play.google.com/store/apps/details?id=com.quyin.phomemo</u>

2. Open the printer cover and take your paper holder out to install the printing paper roll like this:

3. Turn on your Printer:

4. Put the paper holder inside the printer: the printing side faces towards you like step4.

5. Connect Bluetooth in "Phomemo" APP: 3 ways to connect

Way 1: Connect automatically after you go to "Phomemo" APP

Way 2: Click "Connect" in the left upper corner to find your printer and click to connect:

Way 3: Scan QR Code to connect Bluetooth: double click the power button to print QR Code

Then scan with "Phomemo" APP:
